Notice to the General Public Herbicide Applications

The purpose of this notice is to inform the public that the Town of Spencer will initiate herbicide application activities at various town buildings, properties and select town property locations as part of our normal maintenance operations.

Application activities are to take place on the approximate dates of August 6th, 2013 through October 15th, 2013 for the purposes of controlling Poison Ivy and other nuisance and hazard vegetation species. The herbicide Roundup Power Max © will be applied in compliance with 333 CMR 11.00 via hand application sprayer.

At a minimum the following locations will be treated: Town Hall; Sugden Building; Sugden Library; portions of the fence line at O'Gara Park; Public Parking Lots (i.e., Elm St, Mechanic St); Maple Street School; and other select town property locations as needed.

For additional information please contact the Utilities and Facilities Office at 508-885-7525.
